Tips for teaching anytime and anywhere using the program

Hybrid

- You can assign the "Conversation Activator videos" for your students to study at home so that they can dramatize, personalize, and extend them in live classes.
- Whenever you are teaching any grammar topic in classroom, be sure to assign "Grammar Coach videos" to explain each grammar point and provide further examples. They help students check their understanding before proceeding to assessment.

Digital

- You can go 100% digital with the Active Teach. The Active Teach will help you to keep your lesson practical and well-organized.
- Practice 21st century skills using breakout rooms of your video conferencing platform.
- Use the chat tools for real-time collaboration.
- Screen sharing is a good way to work on interactive practice activities on My English Lab.
- Use New MyEnglishLab content with students that fall below a certain threshold repeatedly.

Face to face

- Set up your classroom for connection and use the "Classroom audio program online" or download the audio program without the trouble of loading discs.
