HOW TO TEACH WITH WIDER WORLD

Face to Face setting: Maximize your student's potential with the printed Student Edition + Workbook. Support your delivery with Wider World's digital resources, and don't forget to personalize learning by allowing students to participate in the "And You?" sections and the BBC Culture project. Don't forget to use your ActiveTeach to guide instruction!

100% Digital or Hybrid (50-50) settings: Integrating MyEnglishLab in a digital or hybrid classroom format promotes learner autonomy and improves outcomes. Introducing technology, as a primary resource, to the language classroom opens all sorts of possibilities for teaching and learning. Students practice the content they have learned at school in an interactive environment, with instant feedback and tips to scaffold their learning. Each activity is built into a lesson plan and helps students practice speaking, listening, reading, and writing.
